

TEAM RACE FORMAT									
TEAM A					TEAM B				RULES A match is a race to 40 points (with 2 points difference) with a chain of four 10 goals steps (that is 4 elements). These 4 elements are played S1,D1,S2,D2 by 6 different players. How to play: - 90 seconds between the elements to prepare the tables and to practice. - two time-out of 45 seconds per element that cannot be saved for a following element. - The team captain may make substitutions during a match, which costs one time out per substitution session (if you replace both players in double, it only cost one time-out). A substitution can be made once one formation has scored 5 points - 1 ball is played on the first table, then players play 2 balls alternately on each table until the end of the match (Tie Break format) Substitutions: • The team captain may make substitutions, which each cost one timeout • S1 can be substituted once one formation has reached 5 points • S2 can be substituted once one formation has reached 15 points • One or both players from D1 can be substituted once one formation has reached 25 points Coin-flips: Two coin-flips shall precede the start of the match. The team that wins the first flip has the choice of the side of the tables for all elements of that team. The team that wins the second flip has the choice of the table to start on or get the first serve. The team that loses the second flip has the remaining option
