COMPETITION FORMATS

SWISS SYSTEM

All the qualification competitions will be played under the SWISS SYSTEM.

QUALIFICATION

The swiss system guarantees that at least 50% of players will qualify into the Main Division

PAIRING: Subsequent rounds pair players based on their current score, with efforts made to pair players with similar scores against each other.

SCORING: Players earn points based on the results in the matches.

AVOIDING DUPLICATE PAIRINGS:

The Swiss system avoids pairing players against each other more than once

NUMBER OF ROUNDS: The qualifications continue for 4 rounds, with players accumulating points after each round

TIEBREAKERS

are determined by score, followed by:

- 1 / Buchholz score:** This score is the sum of the points of the opponents encountered during the qualification phase. The team with the highest score is ranked higher.
- 2 / Sonneborn-Berger score:** This is the sum of the points of defeated opponents only. The team with the highest score is ranked higher.
- 3 / Direct confrontation:** The winning team of the direct confrontation, if it took place and if there is a winner, is ranked higher.
- 4 / Draw (determined by Coral):** The team that wins the draw is ranked higher.

ELIMINATION

Players with 2 wins or more will qualify for the elimination rounds in every competition

For all official categories, the tournament format varies based on the number of participating teams:

FOR 9 TO 31 TEAMS: Qualifications are held in a Swiss format with Bo3 matches, followed by the Elimination featuring Bo5 matches.

We ask players to provide exact score to ensure accurate statistical data and to honor the public results that will be accessible in Coral.

SEEDING

This event will not have seeding

DELAYS

If 9 mins after a game has been called, the game hasn't started and no recall has been made, both teams lose a set even if one team is present at the table. Similarly, they will lose 2 sets after 12 min.

After 15 mins, both teams will be eliminated.

FINAL AREA RULES

Players competing in the final area required to use the tablets provided to keep track of the score.
